To Keep the Face

Fresh, Clear, Youthful (National Hygienic Review.) More important then the cosmetic care of the complexion is its physical care. To keep the face clean, fresh, youthful, To keep the face clean; fresh, youthful, times in nothing better than common mercolized wax. It absorbs the soiled or faded worn-out skin particles. Using cosmetics simply adds unwholesomeness to the complexion. That's the difference. By all means, acquire the mercolized wax habit. It's so easy to get an ounce of the wax at the druggist's, apply at night like cold cream and wash it off next morning. There's no detention indoors, the old skin coming off so gradually no one suspects you're using anything. When in a week or two the alluringly youthful, roselike underskin is fully in view—well, you won't want, or need, a make-up complexion after that.

For obstinate wrinkles a face bath made by dissolving an ounce of saxolite in a half pint witch hazel surpasses mas-
